

## Local Administrator Training

**detecting risk**

### LOCAL ADMINISTRATOR TRAINING (ASSISTANT TO CAT)

---

Would you like in-depth knowledge about Synergi®?

This training is for persons who are to take work load off the Certified Administrator. You are sitting in one of many locations. You have direct contact with new users and know the needs of the people located here.

### CURRICULUM

---

The training sessions gives you in-depth knowledge about Synergi®, how to administrate users and simple changes needed in code lists, etc.

With proper Web training you may also function as a support role (case handling, reporting). Our clients usually have 1 Certified Administrator and 1 or more Local Administrator.

- Introduction to the structure of Synergi®
- Administration of users
- Add new codes (company, equipment)

#### Purpose/Target Group

Assist the CAT in limited areas of the administration application.

#### Duration

1 day
