

## Synergi® Train the Trainers

**detecting risk**

### LIKE TO TEACH SYNERGI® TO YOUR COLLEAGUES?

---

Get hands on exercises and practise on presenting Synergi® to the other participants. We can offer you a two days "Train the trainer" course where you will get in depth knowledge and understanding about your company's Synergi®. After the training you will be able to train the Basic reporters and Case handlers (extensive users) in your organization.

### CURRICULUM

---

- Thorough introduction to the structure of Synergi®
- A thorough study and review of all your different case types
- Hands on experience on how to handle cases and ensure that the correct data is put in to the system
- Exercises one on one, two on two
- Understand and mediate the structure of the search engine in Synergi®
- Tips and advices on how to do a good presentation

#### Purpose

Make sure you are able to teach your colleagues how to enter the correct data into Synergi®, and are able to answer challenging questions.

#### Target group

Motivated and dedicated trainers who want to teach Basic reporters and Case handlers (extensive users) how to use Synergi®.

#### Duration

For experienced users - 1 day  
For un-experienced users- 2 days
